The National Training Institute for International Health and Tropical Medicine (SOIGT) in the Netherlands is looking for two suitable candidates for the position of:

MEMBERS OF THE SUPERVISORY BOARD (UNPAID)

starting 01-01-2025

General

The training institute is a young and independent institution that oversees the nationally recognized training of Physicians in International Health Care and Tropical Medicine (AIGT). Each year, about 30 medical doctors are admitted to the program. These professionals are prepared for a career as Global Health professionals. Their training takes place in Dutch and foreign training institutions. The institute ensures the quality and viability of the AIGT training program.

Position in the Organization

The Supervisory Board supervises the activities of the directorate of the institute, which consists of a head and a deputy head. There is close collaboration with the training institutions and the Concilium for International Health Care and Tropical Medicine (CIGT), a Dutch Global Health Association (NVTG) body.

Qualification Requirements

We seek a competent professional passionate about the international aspects of health care, with good communication skills, and flexibility.

Required expertise

- Academic working and thinking level.
- Knowledge of organizational development.
- Familiarity with the principles of good governance.
- For one of the candidates, we also ask for a background in finance, preferably in the NGO sector, or a background in or affinity for teaching/training.

Areas of Responsibility

- The Supervisory Board works in close collaboration with the head and deputy head of the Training institute
- The Supervisory Board has regular informative meetings with the head and provides advice on strategic decisions.
- The Supervisory Board approves the financial year plan and is mandated to raise questions for clarification.
- The Supervisory Board appoints the head and deputy head and has a role in supervising and evaluating them
- The Supervisory Board meets 4 to 5 times a year
